

JYC HAILER

MAY 2010

JUNEAU YACHT CLUB

Volume 21, Issue 5

Commodore's Wheelhouse

By Dean Rasmussen, 2010 Commodore

If you yearn for adventure, you'll enjoy this bit of news. On May 29, former Commodore Damon Cruz and his wife Erin will begin a world-wide, several year journey aboard their Northstar 40' ketch, the *Rose of Erin*. They plan to be gone indefinitely.

Initially, Damon and Erin will be sailing to Seattle with another JYC couple, Jerry and Sandy **Illkinhaus** who are sailing on their vessel, *Windseeker*.before pushing onward to San Diego, arriving sometime in October. The two sailboats will join a contingent of other vessels for the Baja Ha-Ha cruisers rally which provides an organized itinerary for both sailing and power boats making their way along a 750 mile nautical route from San Diego to Cabo San Lucas.

Once in Mexico, Damon and Erin plan to remain for there for some time sailing and diving and then eventually will cross the Pacific and continue sailing and diving in areas most of us can only dream about.

I will miss Damon for his contributions to the club. He has published and distributed the *Hailer* newsletter for a number of years. We now need someone to take over this job. Be sure to let me know if you are interested.

In other news...the Board of Directors is finalizing comments regarding the Statter Boat Harbor Improvement Plan. The comment period closes May 17.

JYC will participate in the initial Marine Festival being held on Saturday, May 22 in downtown Juneau. We plan to have a booth in the Marine Park/Subport area. There will be many other booths, food, and fun that day. As many six vessels will be available for touring.

The board scheduled monthly socials for the summer for the first Thursday of each month from 5 to 7 pm. In conjunction with the social, the board will meet informally to work on issues that arise, or on things we should, or want to do as a club. To make these evenings even better, there will be food. We plan to barbecue hot dogs or hamburgers and provide potato salad and other picnic food. Be sure to put these dates on your calendar--June 3, July 1, and August 5.

This Month

Dinner for Apr will be:

Grilled hand formed burgers with buns, assorted toppings, chips, fresh fruit, baked beans, and ice cream for dessert.

PROGRAM

No program information was available at press time.

I've been out of town, but I was told that our May 8th swap meet event was well attended. There were about 11 tables with nautical treasure exchanging hands and about five boats displayed for sale. Thanks to Tracy Kubley and Nicki Germain for organizing the event. I was told there were many others also involved. Thanks to all!

Have a safe summer,

Dean Rasmussen

New Event – Scupper Cup Golf Tour.

The first annual Juneau Yacht Club Scupper Cup Golf Tour will begin this year on May 15 and end September 5.

The Scupper Cup Golf Tour will consist of your best submitted scores at the Juneau Mendenhall Golf Course, the Valley of the Eagles Golf Links in Haines and the Mt. Fairweather Golf Course in Gustavus. Each course has 9 holes. At the end of the season your scores from each of the courses will be totaled to determine the winner.

The main goal is to provide members with a fun reason to boat over and visit our neighbors in Gustavus and Haines. Why should fishing be the only frustrating thing you do with your boat when you can add a round of golf? Didn't play all three? Submit your scores anyway and who knows maybe we will have a category for best individual course score.

- The just-for-fun tour will be ruled on the honor system.
- You can play more than once and submit more than one score.
- You don't have to travel by private boat. All scores submitted will be counted.
- Only Paid Yacht Club member's scores will be counted.
- Triple Bogey is the highest score on any given hole.
- The owner of the boat that brought you gets one mulligan per 9 holes.

-Men may play from the white tees in the tee box. Women may play from the ladies tee box.
