JUNEAU YACHT CLUB

Volume 17, Issue 1

## COMMODORE'S CORNER

By Dean Rasmussen 2006 Commodore

Happy New Year to all! I first want to thank all of you for electing me to fill the Commodore position this year and for electing a great Board of Directors. We will work hard to address the issues that the JYC faces and will try to provide a club that offers boating and social events and a club that you can be proud of! We are always open to suggestions from you as members, so be sure to let us know what you want from your club.

A challenge that faces us each year is to find volunteers to lead and serve on the various committees in the club. Please consider this an invite to take an active role. We also need to address the issues of providing and maintaining the Yacht Club as an attractive rental facility to the public. Rental income provides a significant source of revenue to the JYC so we need to ensure that we continue to be competitive in price, attractiveness, and service. We are very fortunate to have a dedicated and hard working rental manager in Curt Terrill.

Our January regular monthly meeting and dinner will be Tuesday, January 17. Nancy and I will be in South Carolina at that time for a short winter break, however; Vice Commodore, Capt. Don Kubley will take the helm and lead the meeting. I want to especially thank Don for filling in for me this month. I also wish to thank Bob Doll who will do the program that night. Bob will be discussing CBJ Assembly issues that relate to our boating community—specifically, the new proposed tax rates on boats. I urge you to become educated on issues such as this and to let Bob, who is both a JYC member and is an Assembly member, know that it's essential to maintain a strong recreational and commercial boating and marine community in Juneau as it benefits all who live here.

I wish all of you a safe and enjoyable boating season. As the NIKE ad states, "Just do it!"

**Volunteers:** Please contact the Commodore if you are interested in serving: JYC Board Secretary, House Committee, Membership Committee, Nominating Committee, and Finance/Audit Committee. One caller position is open (contact Diane Denson to volunteer).

**Money:** The Treasurer would like to remind everyone it's time to renew our memberships. Bring your checkbooks to the next meeting and save her a stamp... and some precious time and trouble.

## NAUTICAL TID-BITS

Olden-times Navy toast:  
“May no son of the ocean be devoured by his mother.”

### Editor's Note:

I'd like to begin a series of mini-articles detailing some of the nice passages and anchorages here in Southeast Alaska.

Members are encouraged to send a brief description of how to get there, things to look for and what you like about the place would also be appreciated.

What I'm looking for is not the dry entries of the Coastal Pilot but the little extra bits -- the sketches, photos, latitude/longitude points for entry points, stand-clear points and anchorages -- and the local knowledge like, “Sometimes people can take Dungeness crabs in Taku Harbor by wading in the shallows where the creek from the lake empties into the north end.”
