JUNEAU YACHT CLUB

Volume 18, Issue 2

COMMODORE'S CORNER

By L.L. Oldaker 2007 Commodore

AHOY SAILORS !! Yes, your eyes and are correct, the days are lengthening with nearly five minutes of extended sunshine each day. Even if Ol' Sol hides behind our s'east clouds, as he often does, we know the propitious signs pointing to a busy springtide and glorious days in our boats, hopefully afloat and in motion. Planning for JYC activities is underway, and somewhat akin to the buzz in area hot house gardens, our club's worker bees are outlining monthly meeting-feasts, topics and speakers are being arranged, power/sail squadrons and youth sailing activities are being scheduled, and guests and new members are beginning to appear.

Optimism? Of course. We have to pull together in February because the days are too harsh for most of us to be outside and on the water. To add to the grey emotions, the month itself is unreassuringly strange with twenty-eight or twenty-nine days in length and with quick changes in color themes (red for St. Valentine's day, green-purple-gold for Mardi Gras, and purple for Ash Wednesday and the beginning of Lent) within seven days. Then, there are so many U. S. presidents born in the month that some bureaucrat selected one day to honor all of them on one weekend-extending day.

We need to band together for a warm, enriching meal at the club on (Monday) February 19 to have our monthly meeting, to honor the collection of federal chief executives, to repel the harsh weather, to calm the weirdness of the month, to enjoy listening to each other's tales, and to hear Port Director John Stone outline accomplished and planned CBJ harbor work projects. John is "one of us," a club member and skipper of "Seychelles" (49' Hylas).

Bring a friend and a new member.

Until then, walk safely on the icy paths and envision SAIL HO !!

I am looking for a volunteer to be the chairs for the September food committee. Please call me if you can do this. I will help you out and show you what needs to be done.

NAUTICAL TID-BITS

Before it was a steak sauce, “A-1” meant top shelf or highest quality because the Lloyd’s of London designator for best hull standards was “A” and “1” for ground tackle, signifying a vessel met their highest standards.
