JUNEAU YACHT CLUB

Volume 17, Issue 3

COMMODORE'S CORNER

By Dean Rasmussen 2006 Commodore

I would first like to welcome our newest members who joined the Juneau Yacht Club at last month's meeting. They are Verlyn Renke, Monika Renke, Larry Dupler, Carol Pitts, Sharon Kelly and Rose Matt. Welcome aboard! I hope you find JYC a friendly and fun club. I encourage our new members as well as the rest of the membership to become involved where you can and be sure to pass on suggestions that you might have in order to make our club better. Also, I encourage each and every member to invite a friend to join—membership growth is one of our key areas to work on in 2006.

With the weather as cold as it is, it's hard to do much work on our boats. However, if you want to discuss sailing and boating or share a fish story or two, all are invited the first Friday of the month for the JYC monthly Social in the Graham Room beginning at 1700 hrs. (5:00 pm). JYC chips are still a great buy and you can exchange them for a variety of refreshments of your choosing! At 1900 hrs, both the Sailing Squadron and the Power Squadrons will meet for their separate meetings. Myron Denson, Captain-Power Squadron, says that at the April 7th meeting he'll be teaching downrigger techniques and how to properly rig salmon leaders and to fish successfully with hoochies (He really got my interest). Dave Carnes, Captain-Power Squadron, always arranges a very interesting and educational program for the sailing folks. Be sure and come!

Diane Denson and I plan to put a Member/Boat directory together for the JYC membership. You will then have a resource that can be used throughout the boating season. The idea is to provide an easy to use booklet of member names along with their address, phone, e-mail, and boat information. Please let either myself or Diane know if you do not wish to be included in the directory. Our goal is to have this project done by April 1.

Our March regular meeting will be Tuesday, March 20. Meeting/dinner begins at 1900 hrs. (Social hour begins at 1800 hrs.) Laraine and Romer Derr anchors the food committee this month and it sounds like a corned beef and cabbage dinner...YUM! Our program will feature a representative from Juneau Youth Sailing, Inc. providing an overview of their very successful program and their plans for the summer. Our club provides considerable support to this program each year as we let them use our club free of charge for their summer classes.

See you on the water! Dean Rasmussen, Commodore

This Month

This month's dinner is the classic St. Patrick's Day meal – corned beef and cabbage. Whether or not there will be green beer is still in doubt.

NAUTICAL TID-BITS

Gedunk (also *Geedunk* or *Gedonk*)

Refers to ice cream, candy, potato chips, and other snack foods and the place where they are sold. Its origin is a bit uncertain, as either Chinese for “place of idleness” or German ‘to dunk bread in gravy or coffee’.

"Gedunk sailor" is a pejorative term referring to a poor or inexperienced sailor, like the term "Drugstore Cowboy".
