## COMMODORE'S CORNER

By L.L. Oldaker 2007 Commodore

Tra la! It's May, the merry month when everything goes blissfully astray AND we mariners prepare for and go sailing!!!

Our "opening day" and second annual Boating Safety Fair held at the JYC were an unqualified success. Appreciation is extended to fair director Jim Mahan and crew, JYC staff led by Jay and Jane Ginter, sailors Gerald Gotschall, Brian Lieb, the Chris Burn's family, and others for vessel visitations and flawless MOB retrievals afloat in the channel. Kudos is also extended to Zrinka Dzinich and Marjorie Menzi for providing food and beverages from the kitchen. Tom Satre anchored the pre-Fair "Capital Chat" radio discussion on KINY. Thanx to the many other nameless volunteers that made the event a desired annual event.

The sailing squadron will have its first weekend races this coming Saturday. Those wanting to participate by serving as crewmembers are encouraged to meet at 0800, Harbor Master's Office, or to contact Gerald Gotschall or Jay Ginter. Deck hands and grinders are needed.

The CBJ Docks and Harbor proposal to create a large 150-ton haul out and ship yard surfaced April 25 in their Workshop II, and was further discussed at the D & H Board meeting the next night on the 26<sup>th</sup>. Norway Point, site of our JYC clubhouse, was chosen over the existing UAS boat yard as the preferred location for the development. After monitoring reasoned discussion, the measure was referred to the C.I.P. subcommittee for further consideration. Damon Cruz, Steve Turner, Jay and Jane Ginter, and I represented the club's interests in the matter. The D & H Board is to be commended for its sensitivities and interests in expanding the commercial and recreational capacities of the facilities in their charge. They were attuned to our JYC heritage, activities, and current service to the community-at-large.

Before y'all take off on local and long-distant cruises, make plans to join our regular and (ten) new members at the monthly dinner meeting, this coming TUESDAY (MAY 15, 6:30 p.m.) at the club. Our heralded Rear Commodore Dave Carnes will regale in the remembrances of his recent visit, with wife Pat, to

### The 2007 Juneau Cup Challenge

- is comprised of 14 sailboat races over 7 rounds.
- Rounds include legs on multi-day trips, others are day races, which begin and end in Auke Bay or downtown Juneau.
- Day races allow skippers and crew that are new to racing to participate without committing an entire weekend, or anchoring overnight.
- Skippers do not have to be members of the Juneau Sailing Club to enter the series, but do have to complete 6 of the 14 races to qualify for the season trophies.
- Is a great way to expand your horizons and improve your skills.
