AHOY SAILORS !!

HUZZA! (thrice) It is time to furl the summer sailing flags and ready all boats for the coming wintry rest. To lessen the gloom of this seasonal letdown, we are preparing for the first Juneau Yacht Club meeting of the new cycle, Tuesday evening, September 18. Our revised program format features earlier happy hour (6:00-6:30 p.m.), dinner meal (6:30-7:30), and speaker (7:30-8:00) times.

At this club-opening evening, Kurt Dzinich and his staff of bartenders will be of good cheer and serving good cheers. Zrinka Dzinich will be assisted by a fine kitchen crew in providing fine vittles. More about this in another section of this "Hailer."

The theme of the membership meeting will be to introduce new members and guests, and then hear boasts of good summer sailing news from our power squadron captain (Tom Satre) who should report on Salmon Derby patrols, shepherding club races, and visiting harbors; sail squadron captain (Gerald Gotshall) on the Juneau Cup, harbor races, and going around Admiralty Island; and the Youth Sailing Foundation officials (Steve Turner and Jay and Jane Ginter) on their instructional program. Past Commodore Del Carnes will give us the latest web report on Chris and Rochelle Burns, as our parental sailing pair will take their two children off shore in the "Wind Dancer" for a three-year odyssey to New Zealand. We will welcome Chris and Louise Miller home from their lengthy and adventurous sailing return from Turkey. The Millers will be scheduled for a full presentation later in the fall.

In closing the meeting, there will be an opportunity for additional newsy notations from anyone about boating news, good health, heartaches, and the like.

Our board of directors will have a meeting in the Captain's Room of The Breakwater Restaurant, Thursday, September 20, 5:30-6:30 p.m. The first round of beverages and a snack platter will be provided.

I look forward to seeing y'all at the coming monthly meeting.

SAIL HO!

Trivia Answer: Something less than 1,000 lbs. The "weakest link" of the unit is now the KNOT, not the 1,000 lb. line. Depending upon which knot is used, the new strength of the unit could range from about 500 lbs. to about 850 lbs.

We've all been here, but if you have a copy of Latitudes and Attitudes there's a photo sequence on what happens when things go wrong.

### **The 2007 Juneau Cup Challenge**

- is comprised of 14 sailboat races over 7 rounds.
- Rounds include legs on multi-day trips, others are day races, which begin and end in Auke Bay or downtown Juneau.
- Day races allow skippers and crew that are new to racing to participate without committing an entire weekend, or anchoring overnight.
- Skippers do not have to be members of the Juneau Sailing Club to enter the series, but do have to complete 6 of the 14 races to qualify for the season trophies.
- Is a great way to expand your horizons and improve your skills.
