JUNEAU YACHT CLUB

Volume 16, Issue 8

COMMODORE'S CORNER

By Capt. Don Kubley, Vice Commodore

I miss summer already! As we all know, we didn't have the perfect summer weather we had the summer before last, but plenty of great boating, sailing and fishing stuff. It's hard to believe I am already shoveling snow off the back deck of my boat.

In Commodore Satre's absence I served as acting Commodore for our last board meeting and so have also been asked to pen this short piece for the Hailer. Speaking of the Hailer, I would like to salute the great job being done by former Commodore Damon Cruz as editor, reporter, printer, mailer, etc., etc, of our monthly paper. It's a lot more work than it looks like and I for one appreciate the "job well done".

One of the signs of fall, as predictable as the turning of the leaves and the September storms, is the start up of the monthly Yacht Club meetings. I truly enjoy the opportunity to get together with all the familiar faces and old friends to share fishing and war stories of the previous boating season. It's amazing how it always summer goes like the blink of an eye that seems to blink faster every year. It truly seems like yesterday I was throwing taffy back at Mike Race in the lead fire truck in the 4th of July parade. My family had a **Boatacious** time this summer chasing the huge fish run around and filling our freezer and smoker for the winter that is now upon us. The crabbing and shrimping was also very productive and I haven't seen that many halibut around since the 80's. It was a super fishing year! I hope all members of the club had as rewarding a summer season as we did and I am happy that none of our crews had any mishaps on our beautiful beloved ocean that is so unforgiving. My families prayers are with all those families, outside the club, that did lose loved ones to the Alaskan sea this year. I think it speaks very well of our organization, and how seriously we take boating safety, that there are virtually no accidents among us and we have never had a boating fatality. I hope the many speakers we have at our dinners from various organizations sharing safety measures and tips plays a role in our members' very impressive safety record.

I would like to thank all the boats and captains that were kind enough to help me with the "Derby Boats" for the Golden North Salmon Derby that has now become a tradition for our club. Frankly, we are getting it down to a fine art and we pulled it off again without a hitch. In

particular, I would like to salute Commodore Satre on the Conquest II, Captain of the Power Squadron, Harold Mosure on the Snow Bear who have turned to for the last several derby days.

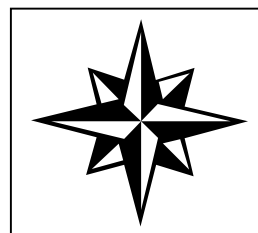

I know that normally the Vice Commodore is next in line to replace the outgoing Commodore. I am honored that both the nominating committee and the board of directors offered me the opportunity to ascend to that position. However, I take that responsibility very seriously and know the great time and energy demands it puts on all those who have cared enough to serve us in the past. Because of several projects I am working on in DC and the lower 48 I will need to be on the road quite a bit this winter and I simply did not want to take on this great responsibility if I wasn't going to be able to be here for a vast majority of our meetings and events and devote the time and energy needed to do the job right. I, very much, appreciate the opportunity to serve as Vice Commodore again for the upcoming year and hope that my business travel demands will allow me to take the helm next year if given the honor and opportunity.

If approved as your Vice Commodore this year, I want to renew and increase my efforts to help our Yacht Club membership grow. My wife and I sponsored several new members last year and I hope to double my efforts and new crew members this year. I would also like to ask each and every member of the club to seriously think of just one family member, friend, neighbor or someone you work with to bring into our crew. If we all just bring in one new member a year our organization will benefit, grow and thrive. I will recommend to the board that we look at some new "membership drive" events to give the club a positive, higher visibility in the community in hopes of increasing interest in this grand organization. I would really like to focus on the younger boaters in our community that can grow with the club.

I look forward to celebrating the upcoming holidays with all of our friends here at the Juneau Yacht Club and working on the community projects we have chosen to get involved with. I also want to thank each member who volunteered time and much appreciated energy to make this the great Yacht Club it is. Especially the galley crews, the board members and of course the best bar tender on the inside passage. Happy Holidays and Smooth Sailing.

Vice Commodore Don Kubley

Members are reminded that November is the month to bring in Toys for Tots presents and also time for donations for the Christmas Food boxes (Rita Hamilton is your contact). Help spread a little holiday cheer for those less fortunate.
