## In the Commodore's Wheelhouse

By Don Kubley, 2008 Commodore

*My parent's old sage words "time only goes faster as you get older" are ringing in my ear. It's also a fact that the older I get, the smarter my parents get. I am amazed that it is December and this will be my last chance to be "In The Wheelhouse" with you.*

*First I would like to thank my wife, Tracy, for carrying as much of my load as she has and for encouraging me to accept the boards nomination for the honor to serve you over the last year. It has been a real privilege to work with our current Flag Officers and board members. Each one of them brings a great deal of energy and experience to the table and eagerly volunteers their time to benefit the JYC without hesitation. All have served with great distinction and I thank each of them for their efforts and their families for sharing them with us.*

*I also need to recognize all the people who make running the monthly dinners and meetings look so easy. Of course the monthly food chairmen and great teams that they put together to help them turn out the best meal in town once a month. I can tell you, that you can only appreciate how much work and effort goes into these great events when you have had a chance to be part of a kitchen team. Apart from the work, it's great fun and a real chance to bond, share some real camaraderie, get to know fellow club members and make lots of new friends. Of course, the phone tree, so ably headed by Zrinka Dzinich, that does such a great job with a warm friendly reminder of our meetings is greatly appreciated by all who get that monthly jingle. Speaking of the Dzinich family, I would be remiss if I didn't give a stiff salute to Kurt for manning the Graham Room so ably, serving on the board and being one of the keel beams of this fine organization. He always "calls um like he sees um" and is closely listened to by his fellow board members.*

*I would also, sincerely, like to thank my good friends and mentors, Past Commodores Lawrence Lee Oldaker, Dean Rassmusson and Tommy Satre for their tireless help, support and clear vision on how to improve this club. Their much appreciate, advice and tireless efforts truly helped me do the best job I could. Of course, Commodore Oldaker's world famous Gumbo is a club favorite and Southern Gentleman style has really classed up this ship. We all need to thank Past Commodore Damon Cruz for his great efforts in writing and publishing our monthly Hailer. Well done, Damon!!*

*I am very happy that my idea of organizing The First Annual Boater's Swap was supported by the club and was such great **SUCCESS**. I am very hopeful that, if handled and promoted properly, it will rival our local "Ski Swap"*

## NAUTICAL TID-BITS

" Hijack..."

The harlot's call to the sailor "Hi, Jack!" acquired its more sinister meaning when, after the first embrace, she hit him with a lead filled handbag and he was dragged off to be sold to a ship in need of crew.

*someday. Thanks to all who helped me put that event together, especially Nikki Germain for her hard work and her captain, John Stone for stuffing the club with great, high quality boating equipment. Thanks to John, and much to my wife's chagrin, I went home with more than I brought to sell.*

*I think I was able to live up to my challenge, to myself and the club, to sign up at least one new club member for each of our meetings this year. Maybe not spread out one at a time, but with tonight's several new members I am sponsoring I should be well over my quota.*

*Probably the thing I am most proud of that has happened under my watch is the creation of and official chartering of the first Sea Scout's Ship in Alaska in decades. With the horrific state of affairs regarding drugs, crime and drop out rates in our local high schools this simply could not be mor timely. I attended the first few meetings of the Ship's leadership and crew and I can tell you that this is going to be a tightly run Ship. The quality and caliber of the adult leaders of this group is truly impressive. All have extensive experience at sea and most are retired or currently serving officers in The United States Coast Guard. A hearty Thank You to Duane Gates for approaching me and suggesting this effort and to Todd Buck for volunteering to take the Helm of The Ship and doing such an outstanding job launching this great organization!!*

*There will be substantial upgrades to the kitchen and to our "media system", that I recommended and were approved by the board during our last meeting. These will serve both our club members and meetings and be helpful in attracting new business groups to rent our facilities. The improved sound and entertainment system will also be well used by those who use our club for weddings, funerals, and celebrations of all kinds.*

*I have truly enjoyed serving the membership, as Commodore, over the last year. I am constantly learning from my fellow Flag Officers and board members. I sincerely appreciate all of their, and your, help and support during my time at the helm of this prestigious organization. I know, with the help of our treasurer Brenda Hewitt and strong support of the community, we have left the club in a very healthy and improved financial standing. I hope you all have a wonderful holiday season and we see you at our great Christmas prime rib dinner so ably cooked by Past Commodore Carl Roiser. I truly hope I am leaving the Juneau Yacht Club's helm on a steady course to a much better port. Thank you very much for the privilege to do so. Merry Christmas and God Speed.....*
